Imaging Excellence Made Easy & Compact
this Holiday Season with PowerShot Cameras

PowerShot Features

- Canon's HS SYSTEM combined with the DIGIC 4 Image Processor lets you take photos in an even wider range of situations without sacrificing image quality.
- Capture stunning Full HD 1080p video and stereo sound with a dedicated movie record button, and play back on an HDTV via the HDMI output.
- Smart AUTO analyzes faces, brightness, colors, distance and movement, then selects and appropriate setting based 32-predefined shooting situations.

Treat Yourself to Select LG TVs & Get 3D Glasses Free

★★★★★ **LOVE IT!**

"The image is STUNNING when using either cable, Blu-ray, or regular DVD. By far the best television as far as image quality goes that I have ever owned. The passive 3D glasses are so lightweight, you barely realize you are wearing them. Sleek, attractive, absolutely stunning. I highly recommend this unit."

The name Phiaton signifies high-quality, sound technology combined with elegant design. An oversized, adjustable padded headband and richly-padded earcups that swivel up to 180 degrees set a new standard in listening comfort. The bold styling, opulent accents, and world-class sonic performance of the MS 400 captures every nuance of your favorite music, delivering it the way it was meant to be heard.

PHIATON

THE ULTIMATE LISTENING EXPERIENCE

★★★★★ **Stylish, Durable, and they sound great**

"These are undoubtedly some of the coolest looking cans out there. The pictures do not do these justice... Now what about the sound? If you're on the go, you'd be hard pressed to find a pair with which to enjoy your music."

World Class Productivity on Nearly Any Platform

★★★★★ A whole lot of polishing makes it an efficient, worthwhile upgrade

"I've had an opportunity to use (the newest version of) Office for a couple of months now and now and I can say that this is a very worthwhile upgrade... a whole lot of polishing and clean up... makes it easier and more efficient. Overall, the program seems to run faster, (and) incorporates many of the most commonly used options."

★★★★★ Excellent speaker system... with no messy wires!!! WOW

"So, what are some cool things about this thing? Well, let's start with sound quality... (F)or such small speakers they handle a myriad of musical styles...very well. I tried everything from hard rock to alternative to jazz to reggae...all sounded GREAT."

Features

- Wireless stereo sound from your iPhone, notebook, or other Stereo Bluetooth-enabled devices
- Dual 3" drivers for dynamic, powerful sound
- Wirelessly stream from a range of up to 30 feet

★★★★★ Love this speaker

"The sound quality is excellent for this type of speaker. The volume is loud enough to completely fill a room or a small outdoor area (e.g., patio). I've enjoyed it on the beach and found quality does not suffer much at high volumes."
